Fun & adventure with that „extra“ of trust...

The new „Jungle Kids“ guest collection brings „jungle adventure“ straight into the hotel bath room. For both boys and girls Jungle Kids stands for adventure, surprise and lot's of fun. The colourful jungle design includes laughing hippos showering, dancing tigers washing and happy crocodiles bathing - the children will love it and enjoy their own daily body care even more.

A fruity and exotic jungle scent with flavours of banana and dragon fruit underlines the care adventure. Thanks to these care highlights, fun and a really good mood in the bathroom are guaranteed.

And for the „extra“ of trust, all formulations of the new care line are highly skin compatible and suitable for kids.
